

country house for sale in Offida

€ 150.000

Ref. 9055

180 sq.m. | rooms: 7

Offida (AP). Immersed in the hills of the Marche region with a beautiful vineyard in full production, for sale a farmhouse to renovate of approximately 180 m2 with 4 hectares of agricultural land around it. The vineyard is approximately 1.5 hectares of Pecorino DOCG and the remaining land intended for the plantation of medicinal herbs but with the possibility of being replanted with olive trees or another vineyard. The property is currently registered as a farm and produces good income from the sale of grapes to the local winery.
